INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit the references listed on the attached FORM PTO-1449, copies of which are enclosed. This statement is being filed simultaneously with the above-identified application.

Tamura discloses a non-contact electrical power transmission device that uses split arrangement of transformer's induction coil (See Figures and Abstract).

Takeuchi et al. discloses an electric power feeding having separated primary and secondary transformer cores (See Figures and Abstract).

The Examiner is respectfully requested to make this information of record in this case.

Respectfully submitted,

Alexander J. Burke
